

residential ESS cost vs benefit calculation in New Zealand

How is ESS taxed in New Zealand? In New Zealand, the taxation of ESS is governed by the Income Tax Act, with specific rules that benefit startups. For, tax advantages remain a key incentive for employees taking part in an ESS. Generally, employees who purchase options under an ESS benefit from the following tax advantages: What is an employee share scheme (ESS) benefit? If you receive shares in your employer's company for free or below market value because of your employment relationship then you will generally have an employee share scheme (ESS) benefit. Are employee share schemes a good investment in New Zealand? Employee Share Schemes (ESS) continue to be an attractive option for many startups and small businesses in New Zealand in . With the right structure in place, employers can offer valuable tax benefits to employees participating in an ESS, thereby supporting both recruitment and retention in a competitive market. Is ESS tax deductible? The deduction will be equal to the employee's share benefit income and would be deductible when it is taxable to the employee. The concern is that for many start-up companies the ESS benefit will be difficult to value and any resulting tax difficult to fund. This is due to the lack of an active market for the shares. What is an ESS benefit? An ESS benefit arises when an employee is issued shares at below-market value (or when an employee's options are exercised into shares at a predetermined exercise price that is below market value). This also includes situations where an employee receives payment for transferring or cancelling their rights to shares or options. How is ESS taxed? Regardless of whether you receive shares or cash, your ESS benefit is treated as income. The amount of income you receive is broadly equal to the market value of the shares on the share scheme taxing date less any amount paid for the shares or share rights. Receiving employee share scheme benefits You want to change the value of the ESS benefit reported by your employer because part of it is non-residents' foreign sourced income and not taxable in New Zealand. An Employer's Guide To Employee Share Schemes To set up an ESS and obtain the startup tax concession in New Zealand, your company must meet specific eligibility requirements. It is essential to consult with legal and financial professionals to ensure your scheme is Income Tax Act A positive or negative amount calculated using the formula in subsection (1) is added to the consideration paid by the person for acquiring the shares, for the purposes of New rules for employee share schemes The proposal in the Issues Paper is to calculate the taxable benefit when the employee holds the shares free from any substantive conditions, rather than simply when the shares are acquired. Employee share schemes An employee share scheme (ESS) is an arrangement involving the supply of shares from a company to an employee. A benefit exists when shares are provided for free or below market value. Know your obligations for employee share schemes It is best practice to let your employees know about the tax obligations and remind them they will have to pay any tax owing on ESS benefits at the end of the tax year. If an ESS benefit is in cash, it is an extra pay, and you must withhold Tax Tips: April The purpose of the changes is to effect tax neutral treatment of ESS benefits relative to cash-based schemes i.e. the tax position of the employer and employee should be as similar as Inland Revenue's ESS U-turn | Tax Alerts In , New Zealand's employee share scheme ('ESS')
