

turnkey flow battery system EPC contract price in Ghana

What is a FIDIC EPC contract?The International Federation of Consulting Engineers (FIDIC) has approved a set of standard contracting forms for a variety of projects, one of which is the Engineering, Procurement and Construction (EPC) Contract. These standard contracting arrangements collectively form part of the FIDIC Suite of Contracts'. Do EPC contractors need to submit a programme?The EPC Contractor is required to submit a programme and programme requirements to the Employer in advance. The programme will contain key delivery dates in relation to the project. The programme must be updated periodically to accurately reflect progress of works carried out. What should be included in an EPC contract?The assumption of the entire risk and sometimes the cost overruns by the Contractor attracts a premium contract price, to serve as an incentive to the Contractor. The EPC contract must specifically identify items that are to be excluded from the Contract Price. b. Scope of Works The scope of works should be clearly defined under EPC.
